TRANSITION TILE

Quality, Durability, Functionality

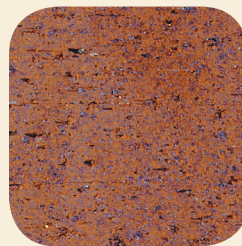

Endicott Transition Tile (TT488) is ideally suited for a number of floor applications where a variance in surface height is needed. Examples include: transition from carpeting to tile, or tile to hardwood. These tile also facilitate wheelchair access. Available in authentic Ironspot colors that are nationally recognized for their aesthetic beauty and durability, Endicott Transition Tile is available in a choice of textures – Smooth, Wirecut and Stonetex.
